Major G. Loch, I. A.,

in Mysore, Bangalore.

Submitted to His Highness.

The accompanying D.O. letter was received last night from the Residency enclosing a copy of clear the line telegram from the Military Secretary to the Viceroy stating that the Viceroy wishes all flags on public buildings to be flown half mast on the 26th instant being the day of funeral of Field Marshal Foch.

The flag over the public offices has been ordered to be flown half mast. No other public office is in the habit of flying flags every day. Instructions have issued, however, to some of the more important offices, in case they are flying flags today, to fly them half mast.

The papers are submitted for His Highness' gracious perusal.
